Furry Gang for Gang and Turf Mod

How to install ?

Step 1: Put the gangModData folder into the game's root directory. (If you want to be in the furry gang, just use the file in the "In Furry Gang" folder instead.)

Step 2: Put all contents of "Furry Skins" folder into mods > update >x64 > dlcpacks > mpchristmas3 > dlc.rpf. > x64 > models > cdimages > peds > mpchristmas3.rpf
